RAIL SLIM S 2m

RAIL SLIM S is a surface-mounted profile - for lighting kitchens and stores. Ideal for lighting shelves, countertops, stairs. Suitable for installation in hard-to-reach places and for the use of wide strips. One of the most minimalist and modern designs. It is a profile designed for the installation of LED strips in hard-to-reach places. Due to its dimensions, it enables us to obtain the maximum amount of light, with the minimal size of the profile. It is perfectly suited for use as an element of decorative backlights in furniture and interior decorations.
