

TUBE 25 LONG

wiring system

At 100 cm long and with a diameter of 25 mm, it is the longest version of the family, ideal for spaces with high ceilings looking for a modern and elegant design. Made from aluminium and finished in textured matt black, its LED lighting provides efficiency and style. To incorporate Smart Control, select the DALI or CASAMBI dimming option when configuring the canopy.

*You can customise the finish by contacting us.
